TO AMERICANS WHO WILL AID IN THROTTLING JESUITISM, IN UNCOILING THE SERPENT ENCIRCLING THE CAPITOL OF THE UNITED STATES, AND IN TAKING WASHINGTON OUT OF THE LAP OF ROME; THAT A FREE CHURCH AND A FREE SCHOOL IN A FREE STATE, MAY MAKE THE GREAT REPUBLIC THE GLORY OF THE WORLD.

# The Biblical Sovereign Grace Gospel

Remember that there is only “**one Mediator** between God and man”; that there is but “one sacrifice for sins,” offered “once” and “forever.” Through the “**one Mediator**,” by the “one sacrifice,” for sinners recognizing their need of a Savior.” One needs **no mediator**(No pope) between themselves and Christ.

For there is **one God**, and **one mediator** between God and men, the man Christ Jesus; 1Timothy 2:5

The priest is a false intruder there(The pope). Jesus calls sinners to come to Himself. He is both human and divine. He is the Son of man and the Son of God, yet without sin. God is in Him. He is one with us and one with God. . No saint, no angel, no virgin, no priest,(No pope) can take the place of Jesus Christ. Only Christ can pardon the sinners sins. All confession of sin must go through Him.. Priestly absolution is a lie. It is a blasphemous pretense. The sentence, “I absolve thee,” whether from the mouth of Romish priest or Protestant minister, is profane. (The pope) cannot absolve you from the sins you have committed against God and from the spiritual death that you were born into because of your father Adam. Jesus is the way the truth and the life. No man can come to the Father but by me Christ said. He said all that the father have given me will come to me and all that come to me I will in no wise cast out. His blood is effectual to atone, and cleanses those who are born again from above. Christ said. “You must be born again.” “**Search the Scriptures**,” they testify of Him. “Heaven and earth shall pass away, but Christ’s **WORDS** shall not pass away.” Christ said, “my sheep hear my voice and they follow me and no man can pluck them out of my hand and no man can pluck them out of my Father’s hand. I and my Father are one. Jesus Christ was the sin bearer for all for whom he died. He came to save His people from their sins and just before He died on the cross He said, “It is finished.” He completed the work that His Father had sent Him to Earth to do. What a marvelous Savior is the Lord Jesus Christ for all those for whom **He has chosen** before the foundation of the world and called and died for. He is the Author and finisher of the faith of all of His People.

# The Babylonian Connection To Georgetown University And 1776

Now when we know who represents Mystery Babylon, we understand the significance of the founding of Georgetown University by Jesuit John Carroll in 1789. In 2015 there are 28 Jesuit Universities and 50 Jesuit High Schools in America. Now we know why Jesuit Francis is coming to speak to a joint session of congress on September 24, 2015. A joint session of Jesuits. smiles

Jesuit John Carroll was an intimate of Washington. He wrote a prayer at the time of Washington's inauguration asking God's blessing on the president, Congress, and government of the United States — a prayer still very much in use today. Out of gratitude for John Carroll's support during the war, Washington gave a modified version of the seal of the United States to the institution that is now Georgetown University, and that seal is still in use. Or it could be said: John Carroll gave the seal to George Washington. The two seals are are similar and the likeness is very self evident.

The penetration of the Religion of Babylon became so general and well known that Rome was called the "**New Babylon**" Faith of our Fathers Author Cardinal Gibbons, p.106.

# Inquisition in America?

Inside the House of Representatives are the busts of two Roman Catholic popes. And not just any two popes; but the two men responsible for founding the Great Inquisition, a movement unlike any other horror recorded in the history of mankind; worse than the Holocaust of World War II, for it gripped all of Europe with terror for nearly six hundred years.

Yet, in 1949-1950, a series of relief portraits over the gallery doors of the House Chamber were added to the interior of the U.S. Capitol that were intended to depict:

*"...historical figures noted for their work in establishing the principles that underlie American law."*

Men like Thomas Jefferson and George Mason are to be found on the list, which makes sense to most students of history; and with them are a host of others, at least some of whom seem acceptable. But in the midst of this collection, we find Pope Innocent III and with him, Pope Gregory IX—two of histories most wicked figures. Arguing that these men truly influenced a government that is dedicated to the cause of human freedom requires a twisted imagination.
